The Hybrid Model works

83%

of workers would prefer a hybrid work model in the future.

59%

of employees are more likely to choose an employer that offers remote work opportunities over one that doesn't.

74%

of U.S. companies are using or plan to implement a permanent hybrid work model.

63%

of high-growth companies have implemented hybrid work models.

On average, companies see a **12%** reduction in turnover when they allow their employees to do at least some remote work.

84% of employees say that not having a commute is a top benefit of working remotely.

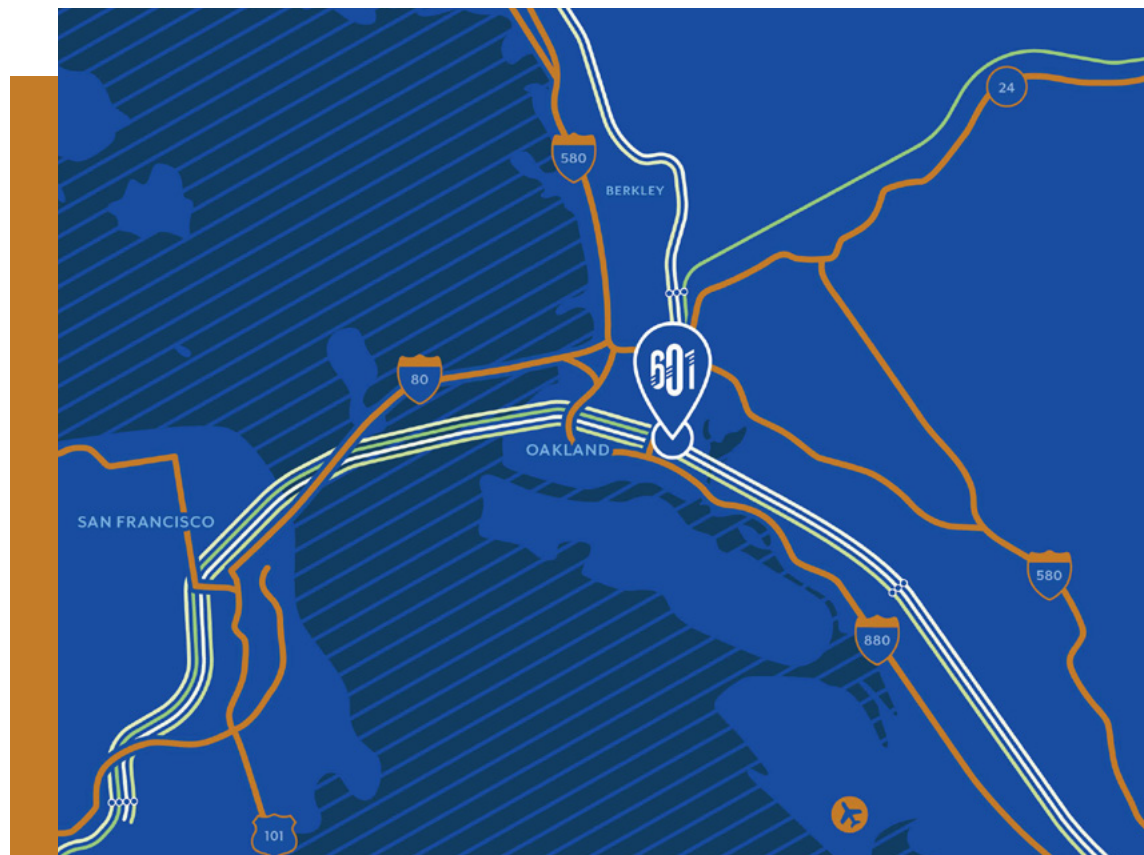

82%

said the ability to work hybrid has made them happier and more motivated in their role.

74%

of employees say that hybrid working has improved family relationships.

the legacy of **Shorenstein**

Shorenstein Oakland Timeline

December
1996

Shorenstein purchases Oakland City Center—at the time a six-building, 1.1M square foot center.

May
2000

Shorenstein acquires the land at 555 12th Street and breaks ground on a 500,000 square foot office building.

June
2010

Shorenstein sells Oakland City Center—seven buildings, approximately 1.6M square feet.

April
1999

Shorenstein purchases the Oakland City Center Garage—a 1,587 stall facility.

May
2002

555 12th Street construction is completed.

2019

601 City Center is built.

A storied legacy, 20+ years in the making—Shorenstein’s influence can be felt throughout the landscape of downtown Oakland. Through innovation, enduring relationships, and prioritizing sustainability initiatives, Shorenstein leads by example in creating a workplace environment that is dynamic and ever-evolving to tenant and community needs. 601 City Center embodies the Shorenstein approach: the highest quality tenant experience, sustainability as a priority, ample green space, and an intentional integration into the neighborhood.
